Local Extra Virgin Olive Oil Meelup Grove Olive Oil

Meelup Grove Olive Oil is grown in the Meelup region in the southwest. Nestled between Cape Naturaliste and Geographe Bay, the prevailing conditions have produced a very interesting Western Australian olive oil.

Established in 2000 and family owned/operated the processing has been carried out by Olio Bello / Cowaramup Creek Olive Farm near Margaret River.

Our olive oil is marketed under the label of Meelup Grove Olive Oil, which we have available in the following sizes.
